LABELEXPO
Asia 2011
www.labelexpo-asia.com

The fifth edition of Labelexpo Asia, organized by the Labelexpo Global series, will be held at the Shanghai New Exhibition Center on 29 November - 2 December 2011.

The label and package printing world is in perpetual motion, driven by innovation and a need for excellence. Rapid changes in the retail sector as well as printing technology have created possibilities that were unthinkable only a few years ago.

There is no better place to see this in action than Labelexpo Asia 2011, where machinery and materials combine to demonstrate the exciting opportunities that exist in our industry. Come to the largest label and package printing event in Asia and see for yourself how you can grow your business, beat your competitors and increase your profits.

Now is the time. This is the place.

START THE JOURNEY AT WWW.LABELEXPO-ASIA.COM

BE AT THE CENTER OF THE LABEL UNIVERSE!

SEE everything from multi-substrate presses to digital presses, laser die cutting to RFID and intelligent labels, in-line decoration systems to multi-process ink systems, VIP substrates to high technology label films, sleeves and wraps. **Over 250 exhibitors** are displaying the latest tools and technology – some of which have never been on display in Asia before.

LEARN about global branding issues, advances in label materials, pre-press and production technology as well as the latest requirements for logistics and distribution labeling.

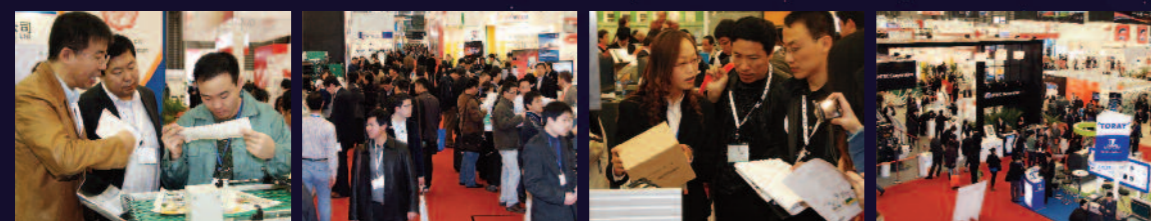

MEET leading Chinese and international suppliers, converters and brand owners. Share information and set up partnerships to put you ahead of your competitors.
